darting pains of a blinding character MR. J. S. COLLINS. over my eyes and general headache, pains across the chest and in my sides. Breath very short. My lega ached terribly. I was very drowsy and tired all the time. My sleep was disturbed from constant coughing and night sweats. I feared consumption, and thought it was so. I had tried many doctors, but without success. Under Dr. Roth's treatment and medicines I improved at once, and after six weeks' treatment I feel well. All my bad symptoms are gone. I advise others afflicted to try him, as his charges are moderate. The above statement, made March 5, 1890, eleven months ago, I now corroborate and consider the cure permanent. Jan. 29, 1891.

## HONESTY

Is the best policy, and an old and well worn maxim, but if the headline serves to call your attention to the fact that the G. O. Taylor Whiskeys are honest in purity, natural flavor and old age, and the truth that a multitude of Druggists and Grocers in this country sell these Whiskeys, our purpose is partially accomplished. Be honest to yourselves and buy these whiskeys when you need them. Chester H. Graves & Sons' firm name covers the cork in each bottle. Unbranded cases sent on request. CHESTER H. For one dozen muffins use one pint of flour, a generous half pint of milk, two teaspoonfuls of Cleveland's Baking Powder, half a teaspoonful of salt, two tablespoonfuls of sugar, three tablespoonfuls of butter and two eggs. Mix the dry ingredients together and rub through a sieve. Melt the butter. Beat the eggs till light and add the milk to them. Add this mixture to the dry ingredients; then stir in the melted butter.
